establishment for the Sri Chamarajendra Veda Maha Pathasala Bangalore, I have the honor to state that from experience gained the Advisory Committee of the Pathasala ---- recommend the revision of the scale of pay of the Pandits, to be an incentive to good work since the present Pandits are all drawing the maximum in the present grade and with a view to eventually replace the superannuated Pandits by younger and better men. An extract from the resolution of the committee giving the details of the proposals is herein ---- enclosed. The present proposal involves very little extra cost. Keeping the cost within the present allotment, I beg to recommend the revision of the establishment as in annexure, abolishing the Sama-Veda teacher's post for which there does not seem to be a need and a Prayoga teacher's place and the Pandit himself to teach Prayoga.
